SPRING IS COMING!

As snow is melting keep in mind cleaning up animal scat that may be left behind in yards or old leaves left behind in yards or against homes or landscaping. Have roofs checked for repairs that need to be scheduled.

DON'T FEED THE SQUIRRELS

As cute as these little critters are, they can cause some very serious damage to your homes. If you feed them, it brings them to congregate together looking to build homes near the constant food source, in people's engines of vehicles, grills, under homes etc. causing costly damage. 😊

SPRING AHEAD!!! DAYLIGHT SAVINGS TIME!
