Mail-house safety

When getting your mail, getting out of the car, stopping or turning around, please pay attention to your surroundings to prevent any accidents. There are many cars coming and going

When you order anything to be delivered to your home, **make sure you include your Lot number with your address for accurate delivery.**

Please do not block the mail-house when picking up your kids from school. Park away from the entrance for everyone's safety.

Thank you for your patience as we are working on landscaping throughout the park. We will be re-planting the Green Giants along Robbins Road that died last season! (This tree can grow 3 to 4 feet per year in optimal conditions.) Also, we will be around to fix yards that the plow hit.
